Editorially speaking

We are really proud and overwhelmed that we are ready to bring out another issue of our E-NEWSLETTER which will unfold the creativity, positive attitude, innovative ideas and hard work of our young minds and their mentors.

First of all I extend my heartfelt gratitude to our Principal who have been our lighthouse in the ocean of challenges. I am also thankful to all the parents for their constant support and cooperation at this moment.

I hope you will enjoy this newsletter showcasing the glimpses of activities done by our kids at home.

I wish you all happy and fun filled days with your loved ones. May God Almighty keep us all safe and healthy.

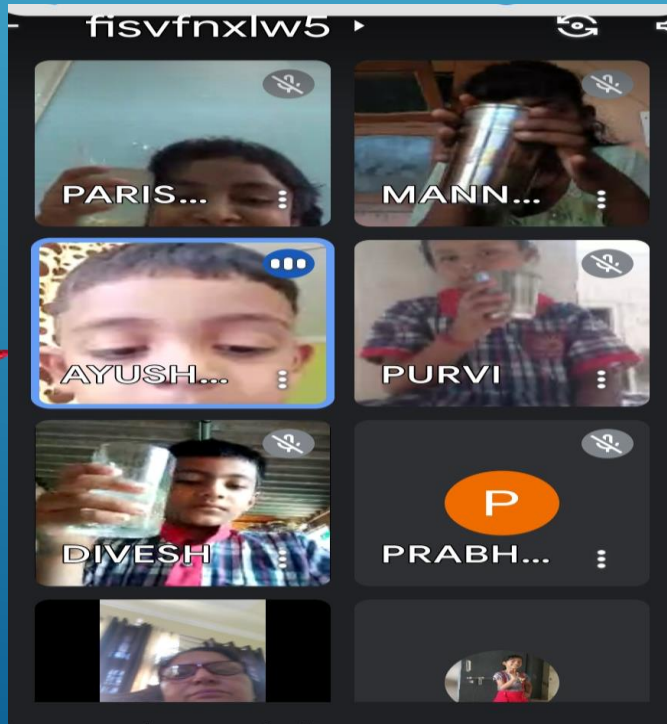

Hope to see you soon refreshed and rejuvenated.
