FROM PRINCIPAL'S DESK

The environment of positivity both by teachers as well as parents will certainly maintain the mental well being of our children during this COVID-19 pandemic era. This dark era is going to end with the joint efforts of our corona warriors and scientists. And once again we shall see the rising sun and blossom in our schools. Our kids will again enchant in schools. There is no need to worry and the children will meet their mentors in school.

I admire the efforts done by our staff for continuation of studies and activities of the kids even after the unprecedented, unprepared and sudden lockdown period. The children were forced to learn through online mode. Parents also sacrificed a lot for school and children.

Editorially speaking

At this time, when the whole world is battling against the pandemic of COVID-19, we are publishing E-Newsletter for Term 1 2021-22 to provide our students a stage to bring out their creativity.

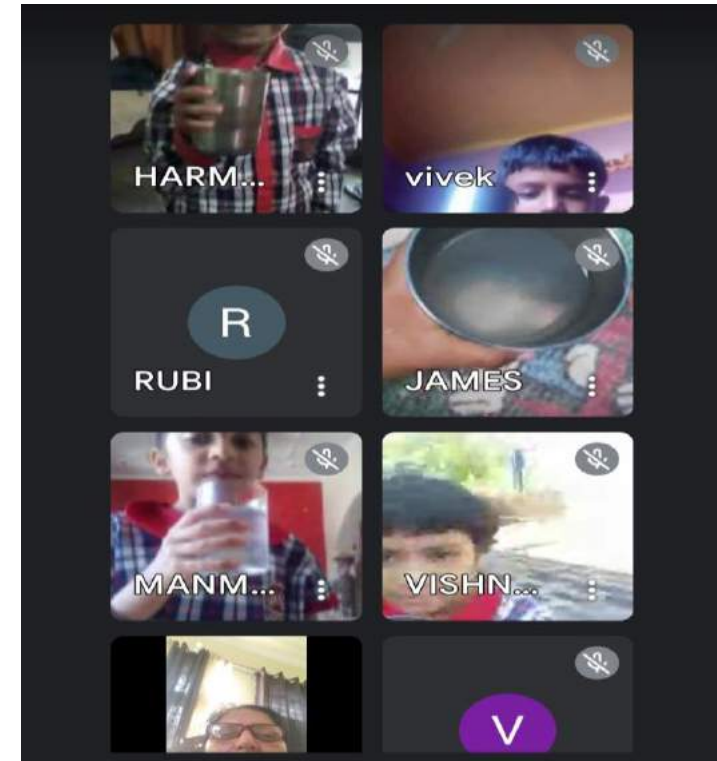

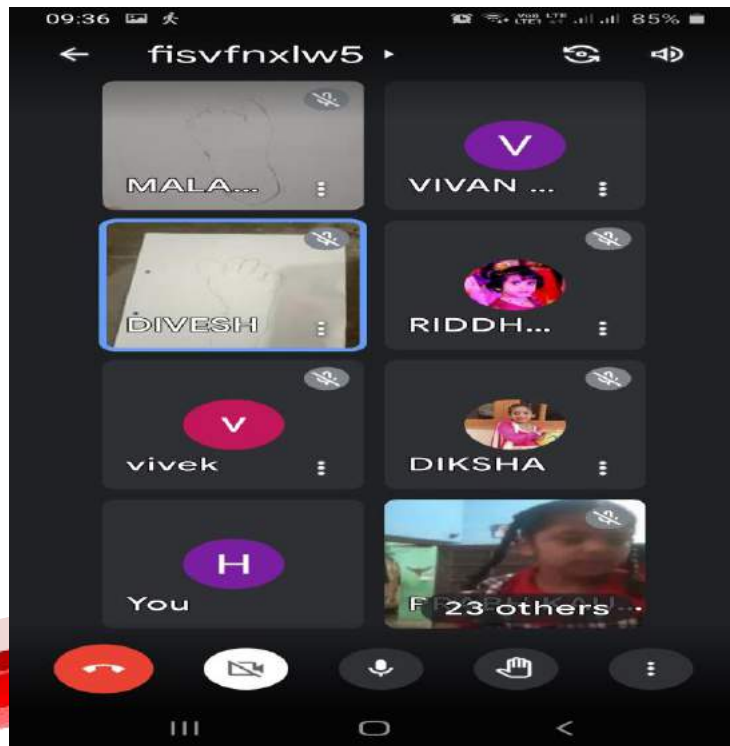

First of all I extend my heartfelt gratitude to all the parents for their constant support and cooperation at this moment .They have indeed, walked the extra mile to ensure that our children make the best use of their time. I hope you will enjoy this newsletter show casing the glimpses of activities done by our kids at home. I wish you all happy and fun filled days with your loved ones. May God Almighty keep us all safe and healthy. Hope to see you soon refreshed and rejuvenated.
